Request for Publication of Redistricting Plan

Senators or members of the public can use this form to request publication of a redistricting plan on Online Sunshine, the Florida Legislature's Internet web site. Deliver this form, together with a FREDS 2000 assignment file (*planname*.TXT; copied from "c:\data\freds 2000") to the Senate Reapportionment Committee (Room 103 S.O.B.; Email: senateplans@leg.state.fl.us; Fax: 850-487-6458). Committee staff will generate new plan files, maps, and statistics. Within one business day, the maps and statistics will be available online. Also, the plan files will be available for others to download and import into FREDS 2000. Plans submitted by Senators will be referred directly to Senate Bill Drafting, and bill language will be prepared according to the directions on this form. Plans submitted by the public will be published on the Internet, but bill language will be prepared only at the request of a Senate sponsor. Requests must be timely to ensure that plans are processed and published in accordance with time requirements set by the Committee.
